Dear Mr. Spielmann,

I have just returned after being away from London for a month, to find a copy of IMAGINATION catalogue, which you have sent me. I am very pleased to have received this. As you may know I helped to organise an exhibition called SURREALISM UNLIMITED in London earlier this year and had the cooperation of Eduard Jaguer and the PHASIS group from Paris. A number of the artists are, I see, included in your exposition.

I have recently had a large exhibition in Munich at the Galerie Rutzmoser, which was exceptionally successful, following a similar one in Amsterdam which was devoted to early gouaches.

Again, I should like to thank you for the catalogue.

Very sincerely,

Conroy Maddox

I apologise for having to write in English, I fear my German is just not good enough.
