Dear Édouard Jaguer,

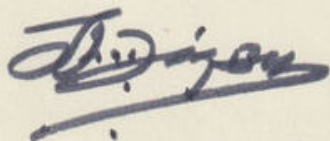

Please forgive me for not writing to you before now but I have been busy of late. Maybe you can recall the evening I spent with you, your good wife, Abdul and the two tellers.

Abdul has just phoned me and said that you might be interested in my new book which has just appeared. I have enclosed a few collages for you as well.

I do hope that everything is well with you and your wife and the next time I am in Paris I look forward to seeing you again,

All the best surreal greetings,

John Digby
