Dear Edouard

I have recently been told that Phases will be participating in an exhibition in London, at the Camden Arts Centre, next January - organised by Conroy Maddox and R.S. Short. I do not want to contribute to this exhibition.

Ludwig Zeller tells me that he will be in Paris in December - so I shall try to be there from 27<sup>th</sup> to 30<sup>th</sup> and I hope that we can all meet.

Do you know of any cheap 'pension'? If you could send me an address that would save me having to spend all day wandering like a lost lamb through the streets of Paris. Best wishes *Philip West*.
