JAGUER,

Thanks for the letter - apologies for this late response. I'm glad to hear someone is interested in my object, please relay my consent. Other than the Dauben/Burns thing, the catalogue looks great, even in the shadow of Les Mystères - Superb!

I'd love to ship some more sculpture over there. It's probably an easier task than getting suitable photographs, something I haven't been able to get done.

Debra has been dreaming about Paris since we were last there. Don't be surprised if you see us one day soon.

Franklin has been feverishly busy these days with publishing. He regrets not having written.

I haven't heard from Fleiss, but I'm sure he is not happy with the exchange rate these days.

Regards to Simone. We would love to see her exhibition.

Debra sends her greetings. We haven't heard from Cesariny or Janaby in a long time. Any news?

As ever,
