Cher Edouard,

Hello! I hope you are well.

I enclose a couple of cards which I've had printed, which I hope are of interest, they are of fairly recent drawings.

Melmoth 2 is being prepared and we hope to have learned from the many mistakes we made on the first issue. We will be using the material which you sent previously (it was too late to get translations for them to appear in issue 1). We will, of course, be pleased to receive any further contributions you may wish to send. Issue 2 will contain much visual material by Danish artists not known in England (and perhaps France?) We have had some problems distributing issue 1 (and therefore getting money towards issue 2) and any help in distribution you could give would be very, very welcome! for example, addresses of bookshops which might take 'M'?

In a couple of weeks I'll send on a review which we have prepared for an anarchist newspaper "Freedom".

Will you keep me on your mailing list? I would particularly like to receive catalogues of 'Phases' exhibitions like the recent ones of Charbonnel and Ethuin and of course I'll be pleased to pay for them.

If you would like any drawings for Phases or Ellebore I would be delighted to send them.

Did you like 'M' 1? We know there was much wrong with it - but it will be better next time ~

Fraternal Greetings

Tony
