

27<sup>th</sup> Sept. 87

Dear Edouard.

In my last mail that I have sent to you I included the photo of "Hide and seek" which was not of the best quality.

Please find enclosed a better photos of the same painting.

The B&W photograph have been already screened - halftone.

We decided with Kader that it would be better to send the paintings in December AIR cargo to Yanabi's address. Thanks again for everything.

With my best regards  
to you and Anne

Ladislav
