

Vancouver, 16. III. 85

Dear Edouard and Anne,

I am enclosing some announcements  
and the copy of a page from  
the ISSUE magazine.

The magazine has published only  
a fragment from Ed Varney's long  
review, because Ed delivered it  
after their deadline.

However the exhibition had  
a very good public response.

As I mentioned before, all  
the originals will be returned  
in May in person.

With my best  
wishes  
yours  
Kadislav
