Edouard -

as requested in your letter.

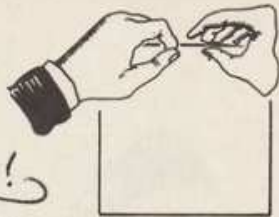

I will write shortly taking up your points about "Cirrus".

I do want the complete series 'Edda' - my mandate will follow in a few days.

How much are the first 2 volumes of "Minaure"?

Tony

you should have
Clive Balls
photo in a day or
so ~ Salah had it!

Good luck with the exhibition in Lyons! I would like a catalogue when it is available.
