

Vancouver, 21.X.87

Dear Edouard,

Thank you for the invitations and the poster you have sent me.

Yesterday I mailed the NO 16<sup>th</sup> of Scarabeus and in the next issue I will include the poster (Paffiche) and correct the name of Yoshitome.

I hope Yanabi has already given to you the material and the new photos for the Le Harve exhibition.

Many thanks for your care,

Best regards to you and Anne  
yours Ladislav
