Gentlemen:

On June 30, 1954, we wrote you requesting you to enter our subscription to PHASES for one year, beginning with Vol. I, No. 2.

We have had no reply to this letter nor to an earlier one (March 30, 1954) addressed to Editions Paul Fachetti and making a similar request. If publication of PHASES has been postponed or discontinued, we should appreciate your letting us know. Or if Vol. I No. 2 and your bill have recently been mailed to us, please ignore this letter.

Sincerely yours

Helen F. Zimmerman
